SPECIAL TAX-FREE IRA GIFTS

For those aged **70 ½ and older**, it is possible to make tax-favorable charitable gifts from IRA accounts. A total of up to \$100,000 per year can be transferred directly from IRAs to one or more qualified charities, (such as our church), free from federal income tax. There may also be state income tax savings. For those 73 and older or those who have begun taking their Required Minimum Distribution (RMD), donations given in this way count toward their RMD for the year of the gift. Similarly, donations from an Inherited IRA qualify to satisfy RMDs for those aged 70 ½ and older. To donate from an IRA, it is important to **make the donation directly from the IRA to the church**. Contact your broker or your tax advisor for more information.

NOTE: Any discussion of the tax implications of gift vehicles should not be considered as tax advice. Consult your personal tax professional for advice on your specific tax situation.

For more information about giving, please contact the **Finance Office** at finance@apexumc.org or call 919-362-7807, ext. 228.

GIFTS OTHER THAN CASH

WHAT ARE GIFTS OTHER THAN CASH?

- Gifts other than cash include stocks, bonds, annuities, property, and other assets.

WHAT ASSETS COULD I GIVE?

- Appreciated assets held more than one year, such as publicly traded stocks, mutual and exchange traded funds, bonds, real estate, collectables, certain cryptocurrency and other readily marketable property which often provide tax advantages.
- Personal property such as automobiles, jewelry, and other items may also be given. There may be no capital gains tax benefits to these gifts, but the financial and spiritual benefits can be tremendous.

WHY CONTRIBUTE GIFTS OTHER THAN CASH?

- The tax code is very generous toward this form of giving. Giving the asset directly to the church allows the church to sell the asset, thereby eliminating potential capital gains taxes to the donor. This also results in a larger gift to the church.

HOW DOES THE TAX BENEFIT WORK?

- Itemized Deduction: The donor is allowed to include 100% of the market value of many of these assets as charitable contributions for tax purposes, if held more than one year.
- Because of its tax-exempt status, the church will receive the full market value, less transaction costs, at the time of sale without paying capital gains taxes.

WHAT IF I SELL FIRST THEN GIVE THE CASH?

- You may be subject to capital gains taxes thereby reducing the after-tax proceeds from the sale.

	Sell First	Give to Church
Market Value	20,000	20,000
Cost Basis	-10,000	-10,000
Gain	10,000	10,000
Tax (assuming 20%)*	2,000	0
Church receives	18,000	20,000

OTHER GIVING STRATEGIES

CASH FLOW GIFTS

Smaller gifts add up! By giving smaller amounts at higher frequencies--weekly, semi-monthly, or monthly--large gifts can be reached in smaller steps. Using electronic fund transfers can be beneficial when making these gifts.

DIVERTED FUNDS GIFTS

Freeing up funds that are currently going to other areas of spending allows a person to increase giving to God's work. Diverting funds from entertainment, dining out, dues, subscriptions, gifts, allowances, or transportation offers lifestyle adjustments that impact one's giving.

DELAYED EXPENDITURES

Postponing major expenditures such as automobiles, home projects, or trips provides substantial giving opportunities.

INCOME PRODUCING ASSETS

Interest income, payments from rental properties, or income from other assets provide a source for increased giving.

SALE OF ASSETS

Sale of major assets, such as a house, car, land, or business provides available income for giving.

RAISES AND BONUSES

Contributing raises and bonuses are also creative methods that can be used to increase giving.

FREEDOM FROM DEBT

Looking ahead to the next three years, you may discover that debt obligations will be fulfilled. This frees up revenue for additional giving.

UNIQUE SKILLS INCOME

Some people have marketable hobbies or skills that enable them to give from those new profits.

CHARITABLE GIVING RESOURCES

Reviewing all charitable donations in light of their impact on the Kingdom of God affords a potential resource for significant giving.

SAVINGS AND ANNUITIES

Savings for special projects, retirement, or a "rainy day" may offer a resource for increased giving. We often realize that a portion of our savings may safely be given to the work of God's Kingdom through our church.

CORPORATE GIFTS

Business owners may be able to provide gifts-in-kind that may result in a stronger gift to the church and tax benefits to the donor.

LIFE INSURANCE

Naming the church a beneficiary of an existing life insurance policy can lead to significant testamentary bequests, but you can also gift the policy itself to the church. This could be attractive if the policy is paid-up, has cash surrender value, or pays dividends in excess of premiums.

EQUITY COMPENSATION AWARDS

Certain employer sponsored equity compensation awards (acquired upon exercising or vesting) often have low cost basis and notable market value with taxable gains.

DONOR ADVISED FUNDS

Make grants to the Church using your Donor Advised Fund.

GIFT BUNCHING

Recent tax law changes raised the standard deduction. By combining gifts into fewer calendar years, you could itemize that year and then take the standard deduction the next – likely reducing your overall tax burden over multiple years. Often combined with Donor Advised Funds.

EQUAL SACRIFICE, NOT EQUAL GIVING.

Equal giving is never the goal at our church, but rather to come together as a church community – each sacrificing to achieve our vision. There is a role in this capital funding campaign for every member of the church and each contribution enables our success. You will not be pressured or told what you should give, but rather encouraged to pray to discern God's will for your giving.

Each of you must give as you have made up your mind, not reluctantly or under compulsion, for God loves a cheerful giver.

- II Corinthians 9:7, NRSV
